*Homeschool Outdoor School

Our 37th Year – June 7-11, 2027

{Overnight Monday – Friday – Designed for ages 9-16}

Camp Morrow, Pine Hollow, Oregon

Kids Need Camp!!!

We are thrilled to announce that registration is officially OPEN for **Homeschool Outdoor School**! Join us for an unforgettable week of faith, science, and outdoor adventure.

At Homeschool Outdoor School, our focus is grounded in God's creation, exploring the apologetics that support the Genesis account of Creation and The Flood, with compelling evening presentations with Dr. Thomas Kindell*. Alongside traditional camp favorites, such as fishing, archery, canoeing, disc golf, pellet rifles, swimming, volleyball, nature hike, Souvenir T-shirt painting, and campfire with a time of worship, students will dive into exciting day classes and evening science presentations designed to build confidence in God's Word.

We cap off each day with homegrown entertainment around the campfire and a time of worship and devotion.

Make memories with your kids! PARENTS are <u>strongly</u> encouraged (but are not required) to attend as cabin counselors or teachers. **<u>We are always in need of Dads</u>** <u>as counselors. Camp depends on a good number of parents coming to make it work.</u>

2027 prices are the same as last year - $325 for students, $50 discount if registered with a $75 deposit per student by February 28th, or a $25 discount if registered by March 31st, $125 for Counselors, Junior Counselors $175 (no early-bird discount for counselors). Last day to register – May 15th, 2027

**When parents come as volunteers, they sleep with a cabin of kids of their same gender and act as chaperones for their cabin group during the week. We do need some of the adults to teach classes (preferably outdoor or science related) or coach / facilitate sporting activities and so would appreciate your expertise in whatever area you could share with us.
